Please be advised that Delmarva has uploaded (to eBridge) updates to various responses to discovery. Specifically, the following data requests were supplemented:

- DPA-1.41: supplemented with additional information
- PSC-MRG-4: supplemented with additional attachment
- DPL-VED-9, 11, 12: supplemented to include information consistent with information provided in Docket No. 17-0977

The materials labeled as DPL-VED-9, 11, 12 consist of compensation/benefits program materials that were previously produced in the electric case.
